TO WHOM IT MAY CONCERN

I have known Tony Attridge for over 10 years through our working relationship with the College of Health & Fitness. During this time, we have worked together in facilitating the delivery of various fitness certificate courses to both adults and school students.

Tony has a passion and dedication to providing high quality education and training. He is extremely professional and very skilled in the management of our programs. This year alone we are delivering course to about 200 students and Tony's efforts make this a streamlined process.

I value our relationship and look forward to continuing the work we do into the future. Please feel free to call me on 0419 787 660 should you wish to discuss any aspect of this letter.

Yours sincerely
