To whom it may concern,

My name is Justin Bellas and I am the Managing Director at World Gym Burpengary. I have been in the Fitness Industry now for the past 12 years and I have known Tony Attridge pretty much since the day I started at Genesis Fitness Jindalee back in 2009.

These were my formative years in the Fitness Industry and it's where I learned a lot of good values and business practices. Many of these were learned through my contact with Tony Attridge who demonstrated professional conduct and high standards of customer service. Tony was a very hands on Manager coming to deliver the Diploma of Fitness at Genesis Jindalee and personally guiding myself and a handful of other Managers through the course. This is where I learned many of the skills and values that I use on a daily basis in the operation of the gym at World Gym Burpengary.

Please feel free to contact me directly on 0452 433 442 if you require any further information regarding this reference.

Yours Sincerely

Justin Bellas
